

## SPREAD THE WORD!

Put this on all of your correspondence

**“IN GOD WE TRUST”**

Help Bring America Back To God.

Our Nation was founded with the motto of “IN GOD WE TRUST.” We as citizens of the United States of America need to go back to believing in this motto and bring our country back to God. We can do this by putting “IN GOD WE TRUST” on all of our correspondence.

Put the “IN GOD WE TRUST” sticker on all of your mailing envelope, and ask your friends and relatives to do the same.

“Return to me,” declares the Lord Almighty, “And I will return to you.”  
Zechariah 1:3 NIV
